

# Lajamanu Katherine Region

## **Community Profile**

Pronunciation: Lar-jar-marnoo

Alternate names: Hooker Creek

Location: 560km south-west of Katherine

Population: 700 approximately

Access: By road from Katherine

Language groups: Warlipiri and Gurundji

This map of the Northern Territory, divided into regions, has been adapted from the Office for Aboriginal and Torres Strait Islander Health (OATSIH) Program Management & Implementation Section (2008) Map of the Northern Territory

### **Climate**

Season	Description	Temp. Range
Winter dry season (May to September)	Cooler and dry	15°C to 33°C
The temperature can drop below 0°C overnight in winter. Please ensure you are equipped for these extremes. Humidity 20% - 50%.	Fine weather with no rain and much lower humidity than Wet Season and a possibility of becoming cold by Territory standards during June / July.	
Summer wet season (October to April)	Hot and humid	22°C to 35°C
Humidity can rise to 95%. Please ensure you are equipped for these extremes. Humidity 30% - 95%.	The build-up occurs from September with building humidity, intermittent lightning storms and downpours. Rains typically arrive December/January with regular heavy downpours and the possibility of cyclones.

Housing	One bedroom secure units or two-bedroom secure house.  **Note: Sharing of facilities may be required		
Facilities	Fully self contained. Linen provided.		
What to pack for place	cement		
Clothes	For advice on what to wear while on placement, please refer to www.ntgpe.org/sites/default/files/media-library/documents/Appropriate%20 Clothing%20in%20Indigenous%20Communities%202017%20Jun%2006.doc.pdf		
Supplies	Bring any specialty foods and a small quantity of fresh food.  **Note: Please be mindful of weight restrictions on plane travel		
Other tips or relevan	t information		
Other tips/relevant information	Be prepared for variable standard of accommodation in communities. A sleeping bag sheet insert is a good idea for protection against biting insects. Bring a hat, sturdy shoes, insect repellent and supergreen		

insect repellent and sunscreen.

\*\*Please check with the health clinic on arrival for sacred sites to avoid and health or social issues to be aware of.

#### Disclaimer

This information is prepared in good faith and to the best of our knowledge at the time of printing. However, Aboriginal communities, like any community, can change as the population shifts and people move on. Please contact the RAHC Regional Coordinator or the Health Centre Manager to confirm any key issues or concerns you may have ahead of your RAHC placement. RAHC also values any input and up to date information or photos you can provide to improve our Community Profiles. Updated May 2017.
