

Quality Policy Statement

Aspen Medical's vision is:

To be the leading global health services provider.

To ensure the effectiveness of the Quality Policy Aspen Medical shall ensure the quality management system is planned, implemented, reviewed, and improved, consider organisation operates within risk management framework.

Aspen Medical has three core principles that govern the company's operations:

- High Quality Service Delivery
- Excellence in Human Resources
- Sound Financial Management

Aspen Medical is committed to:

- Providing quality services and all applicable ISO 9001:2015 requirements
- Considering and meeting any external and internal issues relevant to our purpose, strategic direction and that affect our QMS in achieving its intended results
- Determining and meeting the requirements of relevant key stakeholders
- Complying with statutory and regulatory obligations, standards, specifications and relevant codes of practice.
- Continually improve our QMS by ensuring operational efficiencies, clinical governance and enhancing customer satisfaction.

Aspen Medical shall ensure that the Quality Policy is communicated and understood at appropriate levels throughout the organisation and is available on Aspen Medical website for access to all key stakeholders.
